## Speak with a psychiatrist or licensed therapist from anywhere

**NEW:** Beginning Sept. 1, 2019, the TRS-Care Standard and TRS-ActiveCare plans will feature Teladoc's Behavioral Health service as part of the benefits package. Taking care of your mental health is an important part of your overall well-being. With Teladoc Behavioral Health, adults 18 and older can get care for depression, anxiety, stress, grief, and more. Choose to see a psychiatrist, psychologist, social worker, or therapist and establish an ongoing relationship. Appointments must be scheduled in advance.

“As a working mom with two small children, finding ‘me time’ is almost impossible. So having easy access to an amazing psychologist through Teladoc has been an invaluable benefit.”

## How to request a visit

Scheduling a visit with a psychiatrist or therapist is easy and convenient. You can make an appointment seven days a week, from 7 a.m. to 9 p.m. local time. Appointments are confirmed within 48 hours.

You can schedule your appointment online or via the Teladoc app. Psychiatry visit length is determined by the doctor on a patient-by-patient basis. Non-MD visits are generally 45 minutes. **Visits with a behavioral health provider are only offered through video appointments.**

Although call center reps cannot schedule appointments for you, they can answer your questions.

Psychiatrist (initial visit)	\$185
Psychiatrist (ongoing visit)	\$95/session
Psychologist, licensed clinical social worker, counselor, or therapist	\$85/session

### How to schedule a visit

- 1 Register your Teladoc account via web or app or log in to your account if you're already registered
- 2 Request a visit
- 3 Complete the Patient Health Questionnaire
- 4 Select your behavioral health provider
- 5 Request a time for your appointment
